

RAPSODY R36

The Rapsody R36 is a classically lined, fast motor vessel with spacious open cockpit. This Cabrio RLX version is powered by two Volvo Penta engines of 260 hp each. The wheelhouse has a galley and a spacious seating area. The cabin has a spacious shower/toilet combination, a master cabin with plenty of closet space and a guest cabin with a double bed. Hull and deck are of EpoVin-Kevlar sandwich construction and the interior is finished in mahogany.

The vessel has several luxury options such as an autopilot, generator and docking system. The hull and bottom were repainted in 2022 and the engines have had their annual service. Furthermore, the tent was completely renewed in 2021.

The ship can be viewed in our showroom in Heeg from the end of June.
